The Firearms Academy of Wisconsin at the Highlands manages four separate outdoor handgun and rifle ranges, located on the grounds of the Highlands Sportsmen's Club, in Cascade, Wisconsin. These ranges are available from May 1st through October 15th. During the hunting season, October 16th through April 30th, the ranges will be open on Mondays and Tuesdays only.

The highest priority of the Highlands Sportsman's Club and the Firearms Academy of Wisconsin is the safety of our members and accompanied guests. Therefore this policy shall be followed and enforced by any member and accompanied guest wishing access to the range areas of the Highlands Sportsman's Club.

We are a member based private club. Our rifle and pistol ranges are not open to the public. Your cooperation in avoiding any injuries or life endangering conduct is required at all times. With the nature of our 1000 yard live-fire rifle range, this policy must be strictly followed and will be enforced for your own safety and our liability.

At all times, access to the range areas of the Highlands Sportsman's Club requires prior approval and scheduling with David Maglio at 414-659-5811 or david.maglio@gmail.com. This policy will eliminate double bookings and we will have safe impact areas for all rounds fired.

Firearms Academy of Wisconsin will require any member using the range areas to attend a "Safety Orientation" with David Maglio prior to using any live fire range. Members and accompanied guests shall be required to sign "Safety and Liability" waivers at the completion of the Safety Orientation. There is no fee for this Safety Orientation.
